Hello David,

Will you and others be in the office on Jan 19 to sign off on our offboarding documents and for us to turn in our equipment?

If needed, I'm happy to bring you my computer and phone the afternoon of the 20<sup>th</sup> after the Inauguration. I am used to that being an off day since all of DC is shut down that day...somehow I didn't realize all of the Federal Government wasn't off that day!

Let me know what is easiest for you. I'm working through all of the documents, but it gets a bit overwhelming, and I've done this before!

Thank you!
